HEALTH MEDICAL AND FAMILY WELFARE (H) DEPARTMENT

G.O.Rt.No. 969

Dated:24.07.2008.

Read:-

From Dr.Ravi Mallu, MLA, Jadcherla, Letter, Dt:27.6.2008.

\*\*\*

Dr.Ravi Mallu, MLA in the letter read above has requested the Govt. to continue the Japanese Encephalitis vaccination programme in 13 endemic districts in the state to contain the said disease.

2. The Govt. also noticed that because of certain deficiencies and shortfalls in the implementation of Universal Immunisation Programme the object of achieving 100% success rate in containing the Japanese Encephalitis and reducing Maternity Mortality Rate could not be fulfilled. Apart from the above, several parts of the State especially the agency areas are reeling frequently under epidemics.

3. The Govt. have, therefore, decided to constitute a Technical Committee consisting of the following officials and specialists to have an in-depth study into the occurrence of epidemics with special reference to Japanese Encephalitis in the state and to analyse reasons leading to such occurrences in vulnerable areas. It would also examine the implementation / introduction of any specific vaccination programme for containing Japanese Encephalitis and other communicable diseases and for reducing Maternity Mortality Rate & Infant Mortality Rate:-
